WHY TOPIX?

Partners in advancing the commitment to healthy, beautiful skin

For over 30 years, Topix Pharmaceuticals Inc. has remained dedicated to excellence, beginning with the research and development of quality skin care formulations.

The Topix philosophy and mission is to provide dermatologists, plastic surgeons and their trained staff of skin care professionals with innovative, safe and effective products, manufactured to the highest quality. Each product is developed with the common purpose of providing skin care patients healthy, beautiful skin.

With our onsite team of chemists, microbiologists and manufacturing experts, we are committed to ongoing research and development. Each step of product development and manufacturing is closely monitored and controlled in our state-of-the-art, FDA registered manufacturing facility. Along with our products, Topix is driven through our team of skin care sales professionals to provide our customers ongoing training, support and service to enable them to maximize patient care.

Private Label

The Topix private label proposition enables you to create your own unique brand, using the highest standard of ingredients and formulations that our team of experts have spent years researching and developing. Choose from a wide assortment of pharmaceutical grade products to customize a skin care offering that best suits your customer.

FOUR EASY STEPS	
1	Choose your product assortment
2	Design your brand
3	Utilize our training and marketing support
4	Watch your profits and loyalty grow

ANTI-AGING

Rejuvenating skin care enriched with powerful antioxidants, smoothing All-trans-Retinol and collagen-boosting peptides help to diminish the appearance of fine lines and wrinkles and achieve smoother, firmer and more evenly toned skin.

Gentle Antioxidant Cleanser
Soap-free antioxidant enriched formula gently cleanses while providing hydration for the skin (839)

Power of Three Serum
Green Tea Polyphenols, Resveratrol and Caffeine combine for soothing, powerful antioxidant benefits (844)

CRS L-Ascorbic Acid Serum
Collagen Rejuvenation System helps achieve improved skin texture and tone resulting in healthier skin (853-855)

Sheer Physical Sunscreen
SPF 50+ broad spectrum protection delivers ultra-sheer 13.75% Micronized Zinc Oxide (858)

am: antioxidants + sunscreen

Did you know?

Daily use of a sunscreen (SPF 50+) can block about 97% of the free radicals that lead to premature aging. Antioxidants provide the second line of defense by neutralizing free radicals that are about to be formed.

**All-trans-Retinol
Eye Repair Cream**

Powerful repair cream clinically proven to reduce the appearance of wrinkles, dark circles and puffiness (852)

**All-trans-Retinol
Smoothing Serum**

Must-have in every regimen, helps build up skin matrix for softer, smoother, firmer and more evenly toned skin (875-878)

**Restorative
Bio-Therapy**

Ceramide enriched, moisture-boosting night cream nourishes dry skin and enhances retinoid therapy (895)

pm: repair + renew

PIGMENTATION

Restore a healthy, even complexion with exfoliating cellular renewal products including retinol and glycolic acid, protective antioxidants and a patented vitamin C delivery system all helping to reduce the appearance of dark spots and discoloration.

Clarifying Brightening Polish
Gentle facial exfoliator with micro beads mildly cleanses the skin without stripping it of its natural moisture (849)

Vitamin C Pro-Collagen Serum
Vitamin C enriched system helps brighten the complexion and supports healthy collagen production (818)

Glycolic Facial Cream
A rich pairing of glycolic acid and antioxidants exfoliate and smooth skin. A perfect complement to skin lightening therapy (904)

Sheer Physical Sunscreen
SPF 50+ broad spectrum protection delivers ultra-sheer 13.75% Micronized Zinc Oxide (858)

am: antioxidants + sunscreen

Did you know?

Age spots are actually not caused by age at all, but by sun damage. These spots appear as we age because our body's ability to protect against UV rays deteriorates and produces melanin patches as a result.

**Enhancement
Therapy Pads**

Combines botanical skin tone enhancing ingredients along with skin protective antioxidants to help brighten and soothe the skin (150)

**All-trans-Retinol
Smoothing Serum**

Must-have in every regimen, helps build up skin matrix for softer, smoother, firmer and more evenly toned skin (875-878)

**Restorative
Bio-Therapy**

Ceramide enriched, moisture-boosting night cream nourishes dry skin and enhances retinoid therapy (895)

pm: repair + renew

ACNE-PRONE

Gentle, pH balanced benzoyl peroxide and glycolic-salicylic acid based treatments help treat, heal and prevent breakouts with targeted products formulated specifically to achieve and maintain a beautiful, clear complexion.

Benzoyl Peroxide Wash

Therapeutic, soap-free wash that effectively cleanses and treats acne-prone skin without drying or irritating (403, 407, 408)

Benzaderm Gel

Perfect spot treatment utilizing the antibacterial properties of Benzoyl Peroxide USP (411, 412)

Gly/Sal Pads

Ultra pure glycolic acid paired with salicylic acid USP to unclog pores and accelerate the removal of dead skin cells (923, 711, 712)

Ultra Lite Moisture Dew Cream

Oil-free, non-comedogenic cream combines aloe vera with high-performance hydrators to soothe and hydrate (804)

am: treat + protect

Did you know?

- 95% of all people will experience acne
- 50% of adult women have acne
- 14% of women battle acne well into their 40's
- 25% of adult men suffer from acne

Gly/Sal Acne Body Spray
Proven acne fighting ingredients help to unclog pores. Ideal for face, back and hard to reach areas (938)

Oil Free Sunscreen SPF 30 lightly moisturizing, non-comedogenic sunscreen provides broad spectrum UVA/UVB protection (807)

All-trans-Retinol Smoothing Serum
Must-have in every regimen, helps build up skin matrix for smoother, firmer and more evenly toned skin (875-878)

Power of Three Cream
Green Tea Polyphenols, Resveratrol and Caffeine combine for soothing, powerful antioxidant benefits (843)

pm: repair + renew

Targeted skin care formulated with exfoliating and hydrating properties known to help treat keratosis pilaris, commonly described in association with other dry skin conditions.

For enhanced results, speak to your doctor about adding Urea USP to help soften and dissolve dry, thickened skin and restore moisture.

10% Moisturizing Cleanser
 Glycolic 10% cleanser gently exfoliates, cleanses and brightens skin revealing a smooth healthy radiant complexion (907)

15% Body Lotion
 Oil-free body lotion contains 15% glycolic acid and antioxidants to gently exfoliate dry, rough skin for smoother texture and tone (911)

Sheer Physical Sunscreen
 SPF 50+ water-resistant (40 minutes), broad spectrum protection against harmful UVA/UVB rays. Great for all skin types (857)

am: exfoliate + protect

Did you know?

Keratosis Pilaris (KP) is a skin condition that causes rough patches and small acne-like bumps. It affects an estimated 40-50% of the adult population and 50-80% of adolescents.

**Clarifying
Brightening Polish**

Gentle facial exfoliator with micro beads mildly cleanses the skin without stripping it of its natural moisture (849)

**Glycolic Facial
Cream**

A rich pairing of glycolic acid and antioxidants exfoliate and smooth skin (904)

**Green Tea
Antioxidant Lotion**

Fast-absorbing body lotion delivers a blend of nourishing antioxidants to smooth and soften dry, irritated skin (868)

pm: repair + renew
